

Enjoy these

Complimentary Comfort Menu

items

Beverage & Snack Station

Includes coffee, various teas, flavored or plain water, sugar, creamer, mugs for use in the office, to go cups, chips, cookies, and more!

Pre-Pasted Toothbrushes

Just get them wet and start brushing! The toothpaste is already part of the bristles for your convenience.

Waiting Room Entertainment

The TV is on with the remote available to change at your leisure. There's also a Nintendo Switch to play some games while you wait.

Boot Covers

Paper booties that go over your shoes to protect them and the floors.

Blankets

These can be warmed in the dryer upon your request.

Weighted Neck Roll

These neck rolls wrap around and velcro comfortably. These can be warmed or cold upon request.

Eye Mask

Orbeez filled eyemasks, with or without eyeholes. These can be room temperature, hot, or cold.

Ear Plugs

Foam ear plugs to help drown out any undesired sounds.

Pillow

Memory foam pillow to fill the space between the headrest and the chair.

Fidget Toys

Foam stress toys in the shape of a tooth, fidget spinners, or a cuddly stuffed animal, we've got options to help the stress melt away.

Sunglasses

If the light is too bright and in your face, but a mask seems like too much these can help tone things down.

Glasses Cleaner

Pre-packaged wet wipes, specifically for lenses.

Glasses

Drugstore readers of varying prescriptions in case you forgot yours.

For the highly anxious...

At an additional cost, you can choose to use nitrous oxide during your appointment. Our doctor can also prescribe certain pre-appointment anxiety medications.
